

BLUE ISLAND OYSTER FARM

Gift Certificate Redemption Instructions

There are 2 ways to redeem depending on what you have.

1. If you received a hard copy of our gift certificate, similar to the sample shown to the right, it will include the Gift Certificate Number. You will use that number when you call, email or book online as the redemption/promotion code.
2. If your gift certificate was purchased online, you do not need a hard copy gift certificate, although you may also have one, you will use the 5 digit code which will be provided to you within 48 hours, via email, to the address provided when you placed your order.

* Each redemption code from online purchases are only applicable for the quantity of tickets purchases. Example: If 2 gift certificates were purchased online, you will be able to use the redemption code twice, either for 2 tickets in a single purchase, or for 2 separate 1 ticket purchases.
